

Dear Grant Families

We would like to introduce you to our new “Cent-sational” fundraiser! We are hoping to be able to eliminate a fundraiser by having students bring in spare change instead.

Here’s how it will work. There is a jar in each classroom. Students will be encouraged to bring in spare change to add to the change jar for their class. I will come pick up the jars on the last Friday of the month and will have the results the following Thursday, so they can be announced at the assembly. There will be a friendly competition between the classrooms (similar to box tops) with a classroom prize/reward for the winning classroom.

We feel that there are too many fundraisers, but we do still need funds. We are going to give this a try and see how it goes. If it goes well, we will be able to eliminate a fundraiser next year. The numbers look like this. A student population of $235 \times \$1.00/\text{month} \times 9 \text{ months} = \$2,115$. So we have the potential to really make this happen.

Thank you for your support and help!
Grant PTO
